

Instructions for following the Annual General Meeting via live webcast

A shareholder who has registered for the Annual General Meeting may also follow the meeting remotely via live webcast.

Remote access to the Annual General Meeting will be provided through Inderes Plc's virtual general meeting service on the Videosync platform, which includes video and audio access to the Annual General Meeting. Remote access does not require any paid software or downloads. In addition to an internet connection, following the meeting requires a computer, smartphone or tablet with speakers or headphones for sound. One of the following browsers is recommended for participation: Chrome, Firefox, Edge, Safari, or Opera. It is advisable to log in to the meeting system well in advance of the meeting.

The link and password for webcast will be sent by e-mail and/or SMS to the e-mail address and/or mobile phone number provided in connection with the registration to all those who have registered for the Annual General Meeting no later than the day before the General Meeting. It is recommended to log into the general meeting service well in advance of the time the meeting opens.

For more information on the general meeting service, contact details of the service provider and instructions in case of possible disruptions can be found here: <https://b2b.inderes.com/knowledge-base/inderes-agm-solutions>. A link to test the compatibility of your computer, smartphone or tablet with the network connection can be found here: <https://demo.videosync.fi/agm-compatibility?language=en>. It is recommended that you read the detailed instructions before the meeting.

It is not possible to present questions, make counterproposals, speak or vote through the webcast, and following the meeting through the webcast is not considered as participation in the Annual General Meeting or exercise of shareholder rights under the Finnish Companies Act.
